Your Countryside Venue

Bride and Groom arriving at Stratton Court Barn

At Stratton Court Barn you have a list of approved caterers to choose from

Your Day. Your Way.

Here at Stratton Court Barn we offer you a traditional converted barn, originally built in Cotswold stone in 1872.

We pride ourselves on providing a relaxed atmosphere, with an informal approach, to help you really enjoy your day. We believe that your wedding day should reflect you, as a couple, so we are open to any ideas you might have in terms of theming, decoration and schedule of events.

A Countryside Venue

Stratton Court Barn is situated on Cathy and Chris Wigmore's private land known as Pool Farm. The land is no longer in use for arable farming, but plays host to the Wigmore's family business Banzai Events. With 30 years of experience in private and corporate events, the Wigmore's certainly know how to make you feel welcome. The event business specialises in motorised events and teambuilding. You may therefore find quad bikes and welly boots around when you arrive for a site visit!

The Barn

The barn consists of an entry hallway with flagstone flooring. To the left of the main entrance is the Main Barn. The Main Barn is where your ceremony takes place, and later on your meal. We can seat 80 people on seven round tables plus a long top table. Alternatiely, if you're happy to forgo the top table, we can seat 90 guests by using nine round tables only. To the right of the main entrance is our Bar Area. This room is perfect for your drinks reception, and this is also where your band or DJ will be entertaining your guests at night. You are welcome to get ready at the barn in our Bridal Preparation Room.
