The light-filled barns here have high ceilings and oak beams, blending heritage charm with contemporary elegance – they're the perfect place to celebrate. When it comes to our grounds, there's something for everyone, from lakeside loveliness to our enchanting private woodland, which is also licensed for wedding ceremonies.

Stratton Court Barn is a family-owned wedding venue, and every member of the team truly loves it here. We want you to feel at home here too, and we're here to help you put your own unique stamp on this special place.

The Main Barn

The main event. This large and lovely space is where you'll say your vows and return to enjoy your bespoke wedding feast. The Main Barn features a traditional high ceiling, oak beams and focal point arch. We've added floor to ceiling windows that let the light flood in and keep the space feeling modern and fresh, and in the evening it really comes alive when lit by twinkling fairy lights and the classic chandeliers.

The Bar, The Stables and The Hayloft

The Bar: This modern space is made for partying! With the glittering granite bar, grey tones and sleek glass and chrome accents, this is the modern space you want for your evening drinks reception and dancing into the night – perfectly paired with some fabulous cocktails, of course!

The Stables: For lounging and chatting, this is where your guests can cosy up with a drink at night. Sink into the sofas, take things slow and soak up the atmosphere around you.

The Hayloft: The Hayloft wedding preparation room is the perfect place to get ready on the morning of your wedding. Airy and comfortable, it's a lovely place to relax and enjoy time with those closest to you while the anticipation builds. You also have access to The Stables – the downstairs lounge area – at this time.

The Grounds

The Rose Garden will be one of the first things your guests see as they walk through from the car park. This is our formal garden, lit up with splashes of colour for much of the year, and it's a brilliant part of our grounds for couple portraits and group photos.

From the Rose Garden, you can move through to the Tuscan style courtyard, perfect for canapés and catching up. Weather permitting, this is where we'll spend your drinks reception and later watch the sunset too... also nestled in our grounds is a lake. It's small but perfectly formed, and it makes for a stunning backdrop at golden hour, especially on the little bridge over to Rory Island. Feeling extra adventurous? Take a turn around the island with your beloved in our rowing boat 'Poppy'.

Ferne Wood

Have you always dreamed of a woodland wedding ceremony? Imagine saying your vows under a whispering canopy of dozens of shades of green, where you can feel as close to nature as you do to each other. Just a stone's throw away from the barn, lies our newly licensed wedding woodland. Come with us on the short stroll across the meadow, and step into a copse of beech trees that form a perfect aisle. They'll lead you to the oak-framed hexagon gazebo, which will frame you and your other half as you exchange your vows in a space that feels nothing short of magical.

S&J CUISINE

Sally & Jasmin are the go-tos for informal, laid-back, easy food – think your favourite pub meal, served family style with great cheer. You will recognise all their menu items as they whip up everything from loaded nachos or hog roasts to locally sourced butcher's sausages with mash.

Our handcrafted cocktails are sure to wow your guests, with carefully selected ingredients and beautiful garnishes. If you're here early, you might just spot us out in the kitchen garden, picking rosemary for the Brambles and mint for our Country Garden cocktails. We offer both drinks packages and bespoke beverage options!
