The Stables & Hayloft

The Stables and Hayloft wedding preparation room is the perfect place to get ready on the morning of your wedding. Airy and comfortable, it's a lovely place to relax and enjoy time with those closest to you while the anticipation builds!

Main Barn

The main event. This large and stunning space is where you'll say your vows in front of up to 90 guests. The Main Barn features a traditional high ceiling, oak beams and focal point arch. We've added floor to ceiling windows that lets the light flood in and keeps the space feeling modern and fresh. In the evening it really comes alive when lit by twinkling fairy lights and classic chandeliers. For more intimate weddings you can also use this space for dining.

Capacity - 90

The Byre

The Byre, once a cowshed, has been beautifully transformed into a stunning barn space. The room's focal point is a striking fireplace, complemented by three vintage French chandeliers. With an abundance of natural light, The Byre offers versatility for hosting your wedding ceremony and dining. Whether you choose round or rustic long tables, this space effortlessly blends rustic charm with modern sophistication.

Capacity - 130

Ferne Wood

Have you always dreamt of a woodland wedding ceremony? Imagine saying your vows under a whispering canopy of dozens of shades of green, where you can feel as close to nature as you do to each other. Just a stone's throw away from the barns, lies our licensed wedding woodland. Come with us on the short stroll across the meadow, or ride in our Gator, and step into a copse of beech trees that form a perfect aisle. They'll lead you to the oak-framed hexagonal gazebo, which will frame you and your other half as you exchange your vows in a space that feels nothing short of magical.

The Rose Garden is a romantic place to say your vows. You can legally get married here between May and September. The roses are in full bloom during June and July but spring and late summer days are also perfect for this luscious and intimate setting.

The Courtyard

The Courtyard is another legalised space where you can get married in front of friends and family – and get that amazing confetti shot. Have your drinks reception here on a beautiful day. Watch the sunset with cocktails and toast marshmallows at the fire pit as your evening food truck supplies your guests.

The Grounds

Entertainment

Add lawn games to entertain your guests during your drinks reception and enjoy the fire pit in the evening, toasting marshmallows and catching up with friends.

Choose from our recommended suppliers to add music to your day or bring in an entertainer of your own!

Party Time

Dance the night away in our bar area with The Stables lounge adjacent for when you need to rest your dancing feet. Or have a huge party in our Main Barn or The Byre.

Granary Cottage

When the dance floor has emptied, the clock's struck midnight and you don't want your magical night to end, why not extend your stay with us with an overnight escape in our couple's hideaway? Our wedding night accommodation is a beautifully restored cottage available for you to start your married life in comfort and tranquillity waking up to beautiful countryside views.

WE LOVE IT! HOW DO WE BOOK?

We would love you to discover the charm of our venue and grounds. Come and meet one of our Wedding and Events Managers. We'll chat all about your wedding ideas and you'll have the opportunity to explore the barns and grounds.

If we love the venue can we reserve a date?

We can place a date on hold for 7 working days, no other booking can be taken on this date during that time. During this time we suggest checking that the Registry service or Church are available for your chosen date and time, and that your key people are able to attend on your chosen date. Once you have confirmed this we can proceed with the booking process and we will ask for a deposit to secure your date.

How do we confirm our booking and make payment?

A booking agreement is issued for signing and 40% of the venue hire is required as a deposit and then...your wedding is then confirmed!

You return to the venue approximately 2-3 months prior to the wedding date for a final planning meeting with your co-ordinator. At this meeting, all the wedding details are discussed and finalised in preparation for the big day! The balance payment is due after the final planning meeting has taken place.
