AMAZING!!

Our daughter got married in May last year. There were 200 + guests and we had to choose a catering company, we chose Kearney's.

We were absolutely delighted with the service they provided, the standard of the food, the service and the staff were all fantastic. We had a taster meal where we were able to try the menu we had chosen, it was sensational, I said to my wife it won't be as good as that when there are 200 people - it was every bit as good, everyone said how fantastic the food was and how lovely all the staff were, nothing was too much trouble and everything was done with a smile.

We had food in the evening - paella, bacon and sausage baps, pizza and that was fantastic as well.

To prepare food to that standard was nothing short of miraculous - it made the day very special and I can't recommend Garry and his team highly enough.
