

STRATON

C O U R T B A R N

The Home Of Elegant Countryside Weddings

Your Oxfordshire Wedding Experience

Finding the perfect place to celebrate is one of the most exciting parts of your wedding journey – and this is where it begins.

Nestled in the Oxfordshire countryside just north of Bicester, Stratton Court Barn is more than a wedding venue – it is a family home, lovingly shaped over time into a place for unforgettable celebrations.

Set amongst peaceful countryside and approached by a tree-lined drive, Stratton Court Barn offers a sense of calm from the moment you arrive – a beautiful escape for you and your guests.

With exclusive use of the venue, you're free to celebrate your way. Relaxed luxury, elegant spaces, thoughtful details and a warm, welcoming atmosphere come together to create a wedding experience that feels effortlessly special from beginning to end.

Our Story

Stratton Court Barn is a family-owned, exclusive-use wedding venue run by the Wigmore family. This former working farm has been transformed into one of Oxfordshire's most beautiful wedding venues. With three children, family is at the heart of everything we do, and it's that same spirit of warmth and care that you'll feel when you step through our doors.

We set about creating something completely unique: a wedding venue where everything is connected, beautifully considered, and filled with character. The barns were gradually reimagined into our Stables Lounge and Bar, Main Barn, and The Byre, all seamlessly linked under one roof.

Alongside the venue's barns, we restored the original courtyard and pergola, rose gardens, and Granary Cottage, our on-site accommodation.

While much has changed, we've made sure to preserve the soul of this special place. The architecture celebrates our agricultural roots, with reclaimed materials and original features woven into the design. The décor throughout the barns nods to the farm's heritage, while our grounds continue to evolve – from the addition of our romantic lake to our beautiful outdoor ceremony areas and Ferne Wood.

From your first visit to your wedding day, you'll be looked after by a close-knit team who truly care, ensuring your celebration feels relaxed, meaningful, and entirely your own.

Step inside and begin your journey in a place made for love and unforgettable moments.

The Stables & Hayloft

The Stables and Hayloft preparation rooms are the perfect place to begin your wedding day. Light, spacious and comfortable, they offer calm spaces to relax, be pampered and enjoy precious time with your favourite people as the excitement builds.

Main Barn

The Main Barn is the heart of your celebration – a beautiful space where you'll exchange your vows in front of up to 90 guests. Traditional high ceiling with oak beams and a statement arch create a stunning backdrop, while floor-to-ceiling windows fill the room with natural light for a modern, fresh feel. As evening falls, the space transforms with twinkling fairy lights and classic chandeliers. For more intimate weddings, it can also be used for dining.

Capacity – 90

The Byre

Once a humble cowshed, The Byre has been beautifully transformed into a stunning barn space. A striking fireplace and three vintage French chandeliers create an inviting focal point, while natural light floods in throughout the day. Perfect for ceremonies or dining, it suits both round and rustic long tables - effortlessly blending countryside charm with modern sophistication. And when evening arrives, its versatility means you can dance the night away right here.

Capacity - 130

Ferne Wood

If you've always dreamt of a woodland ceremony, imagine saying your vows beneath a whispering canopy of green, with sunlight gently dappled through the leaves as you stand together feeling as close to nature as you do to each other.

Just a short stroll across the meadow from the barns - or a fun ride in our Gator - lies our licensed wedding woodland. A tranquil copse of beech trees forms a natural aisle, leading you to the oak-framed hexagonal gazebo where you'll be beautifully framed as you say "I do" in a truly magical setting.

The Rose Garden is a romantic place to say your vows, with legal ceremonies available here from May to September.

Roses bloom beautifully through June and July, while spring and late summer bring their own intimate charm. In early autumn, the garden glows with gorgeous seasonal colour – perfect for this luscious and intimate setting.

The Courtyard

The Courtyard is another licensed space for your ceremony and the perfect spot for that unforgettable confetti shot. It's a gorgeous setting for a sunny drinks reception, and later you can serve up cocktails enjoying a beautiful sunset and toast marshmallows by the fire pit while your food truck serves up evening treats.

The Grounds

Entertainment

Keep your guests entertained with lawn games during the drinks reception, then gather around the fire pit in the evening to toast marshmallows and catch up with friends.

Add live music or entertainment from our recommended suppliers – or bring along your own!

Party Time

Dance the night away in our bar area, with The Stables lounge right next door for when you need to rest your dancing feet. Or go big and host your party in The Main Barn or The Byre.

Granary Cottage

When the dance floor has emptied, the clock has struck midnight and you don't want your magical night to end, why not extend your stay with us with an overnight escape in our couple's hideaway? Our wedding night accommodation is a beautifully restored cottage available for you to start your married life in comfort and tranquillity waking up to beautiful countryside views.

WE LOVE IT! HOW DO WE BOOK?

We'd love you to experience the charm of our venue and grounds.

Meet with one of our Wedding & Events Managers to chat through your ideas and explore the barns and outdoor spaces.

If we love the venue can we reserve a date?

We can place a date on hold for 7 working days, no other booking can be taken on this date during that time. During this time we suggest checking that the Registry Service, Celebrant or Church are available for your chosen date and time, and that your key people are able to attend on your chosen date. Once you have confirmed this we can the proceed with the booking process and we will ask for a deposit to secure your date.

How do we confirm our booking and make payment?

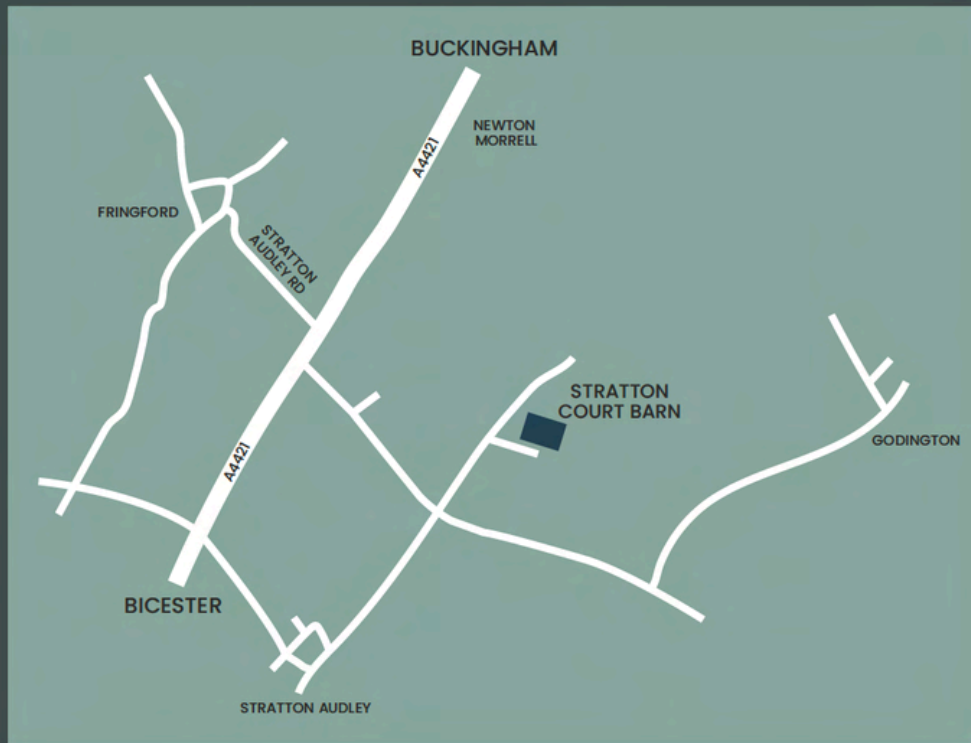

A booking agreement is issued for signing and 40% of the venue hire is required as a deposit and then...your wedding is then confirmed!

Around 2-3 months before your wedding, you'll return for a final planning meeting with your coordinator. Together, you'll confirm all the details in preparation for the big day. The balance payment is then due following this meeting.
